See Exhibit A Attached Hereto.

WHEREAS, Declarant desires to provide for the preservation of the values and amenities of Subject Property and, to this end, desires to subject aforesaid Subject Property to the covenants, conditions, restrictions and charges hereinafter set forth; each and all of which is and are for the benefit of Subject Property as a whole and all owner(s) of any part thereof.

NOW, THEREFORE, Declarant does hereby give notice to all purchaser(s) and their successor(s) of any portion of Subject Property hereinbefore described and whomsoever it may concern that Subject Property is, and each and every conveyance or any portion of Subject Property will be subject to the following covenants, conditions, restrictions and charges which will inure to the benefit of and pass with Subject Property, and each and every parcel thereof, and shall apply to and bind each successor interest, and any owner thereof.

ARTICLE I

GENERAL PURPOSE

The purpose of the Declaration is to insure the best use and the most appropriate development and improvement of the Subject Property; to protect owner(s) of Subject Property against such use of surrounding property as will detract from the value of their property; to preserve, so far as practicable, the natural beauty of Subject Property; to insure the highest and best development of Subject Property; to encourage and secure the erection of attractive structures thereon, with appropriate locations thereof on each parcel; to prevent inharmonious improvement

See Warranty Deed - Vol. 386, Page 886

of Subject Property; to secure and maintain proper setbacks from the roads and adequate free spaces between structures; and in general, to provide adequately for a high type in quality and improvement in Subject Property, and thereby to preserve and enhance the value of investments made by purchaser(s) of Subject Property therein.

ARTICLE II

USE OF LAND

All terms, regulations and conditions of any applicable township, county or state zoning or subdivision ordinances, statute or regulation shall be and remain in full effect and supersede any and all conflicting statements contained herein.

No noxious or offensive trade or activity shall be carried out upon the Subject Property, nor shall anything be done thereon which may be or become an annoyance or nuisance to the neighborhood.

No mobile homes, no junk cars or shacks shall be permitted on Subject Property, nor shall any structures of a temporary character be used as a residence. Modular homes and manufactured homes delivered to the site with a minimum of 20 feet in width shall be permitted.

No on-site, unhused storage will be allowed for excess material and infrequently used vehicles. (Definition of infrequently: Vehicles used less than once every 9-month period of each year.)

Storage of snowmobiles, boats, trailers, campers, golf carts, or other seasonal items frequently used (Definition of frequently: Those items used more than once every 9-month period of each year.) will be allowed, provided they are not kept closer than 30 feet from the right-of-way line or 63 feet from the centerline, whichever is greater, of any public road and 10 feet from any property line.

Outdoor toilets shall be permitted only as allowed by applicable law or regulation, and then not closer than a distance of 25 feet from dwellings and lot lines, 50 feet from wells on adjacent properties, and 75 feet from the watercourse. All outdoor toilets shall be enclosed.

No horses, cows, goats, sheep, poultry or fowl of any kind will be permitted to be kept on any part of Subject Property. Domestic pets will be permitted and shall be restrained so as to avoid becoming an annoyance or nuisance to the neighborhood and shall be in accordance with any other applicable ordinance.

All exterior lighting shall not interfere with the use and enjoyment of neighboring properties.

ARTICLE III

TYPE OF MATERIALS

All structures erected shall be of new materials and new construction and shall be completed within one (1) year after commencement of construction. Building exterior must be of brick, stone,

metal, wood or maintenance-free siding (example: steel, vinyl or aluminum) and such exterior must be suitably finished. Finishes shall be of colors that are in harmony with the colors of the natural surroundings, such as those commonly referred to as "earthtones."

All homes, cabins, or other dwellings, where permanent, seasonal, or recreational shall be at least 800 square feet in size.

ARTICLE IV

GARBAGE AND REFUSE DISPOSAL

No lots shall be used or maintained as a dumping ground for rubbish, trash, or garbage, nor shall any waste be kept on Subject Property, except in sanitary containers. All incinerators or other equipment for the storage or disposal of such materials shall be kept in a clean and sanitary condition and shall comply with all local, state, and/or other regulations.

ARTICLE V

BUILDING LOCATION

All buildings shall be located on their respective lots in accordance with the applicable state, county, or township regulations, ordinances or laws which shall supersede any provisions contained herein.

No building or other structure permitted under the terms of this agreement shall be located closer than 30 feet from the right-of-way or 65 feet from the centerline, whichever is greater, of a public road, and 15 feet from the sideyard.

Satellite dishes are considered permanent structures and must meet setback regulations.

ARTICLE VI

TIMBER REMOVAL

Clear cutting of Subject Property will not be allowed unless done pursuant to a timber management plan or for the purpose of clearing a building or camping site, lawn or a garden area or driveway. All stumps that are removed shall be buried, burned, or otherwise removed from Subject Property. Selective harvesting of trees for personal use as firewood will be allowed.

ARTICLE VII

ROAD MAINTENANCE

The easement road servicing the property is a private easement road and will be maintained by those in direct benefit of it. Maintenance of the road will consist of snowplowing, graveling, and grading as needed and will be the responsibility of the property owners. The cost for this maintenance will be divided equally among all owners and will be binding and transfer with the land.

ARTICLE VIII

TERM AND RIGHT TO ABATE VIOLATIONS

The provisions contained herein shall run with and bind Subject Property and shall inure to the benefit of and be enforceable by or against any owner(s) of land included in Subject Property, their respective legal representatives, heirs, successors, and assigns and shall remain in full force and effect until and unless an instrument signed by the majority of the then owners of Subject Property has been recorded, agreeing to change said covenants in whole or in part.

If any lot owner or person(s) in possession of any of said lots shall violate or attempt to violate any of the covenants, conditions, and restrictions herein contained, it shall be lawful for any other person or persons owning any real estate situated in the Subject Property to prosecute any proceedings at law or equity against the person or persons violating or attempting to violate any such covenants, either to prevent him or them from so doing or to recover damages from such violations. Failure by any land owner to enforce any restrictions, conditions, covenants, or agreements herein contained shall in no event be deemed a waiver of the right to do so thereafter as to the same breach or as to one occurring prior or subsequent thereto.

The invalidation of any one of these covenants by judgment of court order shall in no way effect any of the other provisions which shall remain in full force and effect.

No provisions contained herein shall be construed to restrict Declarant or its assigns' right to construct roads or subdivide, by plat or otherwise, the real property described herein.

IN WITNESS WHEREOF, Declarant, Taylor Investment Corporation of Wisconsin, a Minnesota corporation, does hereby cause this instrument to be executed in its name on the day and year first written above.
